HAMILTON TOWNSHIP FIRE DEPARTMENT

Regarding miscellaneous Hamilton Township Fire Department matters, Chief Shillingburg presented quotes for key card entry systems at the fire houses. He also informed the Board that on May 18th the Hamilton Township Fire Fighters Association would like to sponsor a Peace Officer Appreciation Day. They will

be cooking out at Station 171 for the Obetz police officers and the Franklin County Sheriff's.

Chief Shillingburg provided a list of CPR classes that had been conducted by the fire department in 2022 and 2023. The Fiscal Officer stated that she had asked the Hamilton Township Fire Fighters Association for this.

HAMILTON TOWNSHIP FIRE DEPARTMENT CONTINUED.

The Fiscal Officer then presented the Board with a spreadsheet showing the cost to the township to teach these classes. The Fiscal Officer wanted to make the Board aware that while she agrees that these courses are a valuable offering to the public, in her opinion tax dollars should not be spent on CPR training that is scheduled by the Fire Fighters Association (a non-profit 501 (c) (3)). In addition, the payment for any services rendered goes to the association, even though the township is paying the wages for off-duty personnel to teach the courses. Most of the wages were overtime, as off-duty employees conducted the classes. There was discussion regarding how to move forward with CPR training, including the question of why the township was not being properly reimbursed by the association for the labor costs, when the association was being paid for services. To date one check had been received for \$247.00 and according to an email from the Fire Fighters Association president Richard Lewis, another check had been received from Google (Saturn) for \$850.00. The Board requested that Chief Shillingburg contact someone at the association and try to locate the check. The Board had previously been informed that there was no payment made to the association for \$850.00. The Chief left the meeting and returned short time later. He informed the Board that the check had been located and had not been cashed. Trustee Hann instructed Shillingburg to inform the association that a check needed to be delivered to the township for \$850.00. This would cover the labor cost for the CPR classes conducted at Google (Saturn).
