Resident complaints regarding ATV's operating on Astoria, deputy is monitoring and will write citations. Resident asked the deputy if you are allowed to block an alley in the township. He stated no, you are not. Resident lives at 2040 Reese Avenue and observed a large tree and a truck blocking the alleyway. Resident contacted the township office and the road superintendent and was told they would take care of the issue. Resident wanted to know if the township had told the property owner where the violations were located, who reported them. The resident had observed the township road department at the residence and the property owner had threatened them, saying he was going to harm them and their dog. JULIE DONNAN, BROSIUS, JOHNSON & GRIGGS, LLC

Julie Donnan of Brosius, Johnson & Griggs was in attendance and discussed the Columbia Gas easement contract with Board. Explained that this is a standard document used by Columbia Gas. The Board discussed the easement and gave Donnan the options that the Board would agree to. She is to present to Columbia Gas and report back to the Board.

Fiscal Officer asked Ms. Donnan to explain to the Board the revenue replacement rule for ARPA expenditures. This allows local government to use this money for revenue replacement up to 10 million dollars. Since the township did not receive anywhere near this amount, then we could take this money and use it for township governmental services. Trustee Hann asked if the township could use this money to purchase a new medic. Her answer was yes. The Fiscal Officer asked if the

Board would possibly consider using the money to repair a street in Hamilton Meadows that has deteriorating curbs and gutter pans. Ms. Donnan stated that the money could be used for the street repair as well. The Fiscal Officer stated that the Board had budgeted to replace the medic using EMS fund monies.

JULIE DONNAN, BROSIUS, JOHNSON & GRIGGS, LLC CONTINUED

Using this ARPA grant for the road repair would not prevent the township purchasing the planned medic. It would allow the township to repair a street that has needed repair for some time. Hann asked if this was Sutherland Drive, the Fiscal Officer stated that it was. Hann stated that he did not have a problem using this money either way. Josh Marcum to obtain quote from Franklin County for the road repair. The Board also discussed replacing the small Dodge dump truck. Township could also use ARPA monies for this as well, Marcum to get quotes for replacement.
